Put your business on screen.

Advertise on managed screens in local businesses, from KYD 60 a month.

A slot of your own

Each screen runs a loop of 8 slots. Only 6 are for advertisers, so your ad is not lost in a crowd.

Ready from your flyer

Send a flyer, photo or short video. We fit it to the screen and schedule it.

Simple and local

One monthly invoice in KYD. We handle the screens, the scheduling and the swaps.
