CAYWORKS
MEDIA

Your screens, managed for you.

We load, schedule and refresh the content on your digital displays, remotely.

Managed remotely

We load, schedule and refresh your content from our end. Nothing for your team to run.

Updates in minutes

New special, price or notice? Send us the flyer, photo or short video and we put it on screen.

Ends when you say

Give us an end date and the promo comes down on schedule, so old offers never linger.

KYD 150

per screen, per month

- Software and licence included
- Content updates handled for you
- Simple monthly billing
- Add more screens at the same rate

How it works

1 We set up

Simple setup: we get your display connected to our system.

2 You send content

Flyers, photos or short videos, with the date you want them to end.

3 We publish

We schedule it, keep it fresh and take it down on the end date.

Great for

Restaurants & bars | Clinics & waiting rooms | Gyms & studios | Salons & spas | Retail
